SUPPLEMENTARY INFORMATION:

Correction

In FR Doc. 2022–16694 of August 4, 2022, in FR Doc #2022-16694, (87 FR 47690), the Congressional Review Act section is being updated to amend the date by which application selections will not begin until the date is passed.

On page 47695, in column 3, under Section I.2. the Congressional Review Act section should read as follows:

2. *Congressional Review Act.* Pursuant to Subtitle E of the Small Business Regulatory Enforcement Fairness Act of 1996 (also known as the Congressional Review Act or CRA), 5 U.S.C. 801 *et seq.*, the Office of Information and Regulatory Affairs in the Office of Management and Budget designated this action as a major rule as defined by 5 U.S.C. 804(2), because it is likely to result in an annual effect on the economy of \$100,000,000 or more. Accordingly, there is a 60-day delay in the effective date of this action. Application selection will not begin until after October 9, 2022. Therefore, the 60-day delay required by the CRA is not expected to have a material impact upon the administration and/or implementation of the ReConnect Program.

Christopher A. McLean,
Acting Administrator,
Rural Utilities Service.
